LIGHTING HEARTS

Faith

St. Michael School is dedicated to helping students come to know and love Jesus Christ. Our aim is to help parents pass on the rich heritage of our Catholic faith, our beliefs and practices. Students attend religion classes daily and participate in a weekly all-school Mass. Children in grades K-4 experience the Good Shepherd Catechetical Program. Special attention is devoted to sacramental preparation for the celebration of First Eucharist, First Reconciliation and Confirmation.

GUARDING SOULS

Values

We believe each student is a unique person, loved by God, and involved in a lifelong process of growth in faith, learning, and personal development. We strive to maintain a Christian environment, both by teaching and living out Catholic values. Our students grow in appreciation of each other's gifts and talents in a place where God's gift of life in each person is respected.

GUIDING MINDS

Academics

St. Michael School offers a program of academic excellence for grades K-8 in a disciplined and caring atmosphere, in which each child is encouraged and challenged to reach his or her full potential. The curriculum is solidly based on traditional subjects and also includes art, music, computer, science labs and physical education. St. Michael's is fully accredited by the Minnesota Non-Public School Accrediting Association.
